Please find attached my comments on the QASP. Some minor editorial stuff plus a few items that need ironed out.

Thanks!

Phil

Philip:

Here is the draft of the QASP for indoor air sampling here at the Exxon Mayflower pipeline spill in Arkansas.

I'm not sure how busy you are right now but, is it possible to get your comments on the QASP by COB Friday? If that doesn't work please let me know how soon we can see your comments.

Thanks very much, Philip.
